

# NOMINATION QUESTIONNAIRE

## LEGENDS

It happens every day in each Marquis and Consonus department. Our employees are becoming legends. We are all passionate about what they do. But there are a rare few whose personal commitment goes above and beyond any job description. We call these people Legends.

I would like to nominate \_\_\_\_\_  
(Name)

What did this person do to "create a legend?" Tell us the story.  
(Please use the back of this form if you need any additional space.)

How did it make you feel? What impact did this person's actions have on you and others?

If you could share a message with this person, what would it be?
