Cononus Midwest knows without a doubt that our employees are what make us great! As our pharmacy continues to grow, hiring the best talent to provide top notch customer service is paramount.

We want to continue being leaders in LTC pharmacy!

We're searching for talented people like you, and we could use your help. Do you know people in your network that would make a great addition to the team? Anyone come to mind that's ready to make an impact?

We want to meet them!

Here's How It Works!

1) Submit Your Referral

Submit your referral's name along with a brief written endorsement statement about them by going to Sharepoint, then click on

Quick Links < Employee Tools < Employee Referral or [Employee Referral Program Form](#)

2) Have Them Apply

Have your referral fill out an application online through our careers page and put your name as the source. Go to our [website](#).

3) Get Paid \$250

Instead of giving a candidate a hiring bonus, we'd rather give the cash directly to YOU. When your referral is hired, you'll earn the cash reward. We wait until 6 months to ensure they're a good fit at the Pharmacy and continue to be in good standing. After 6 months we'll have payroll issue a payment.

Cha Ching!

Ready, Set, Go...to start connecting people with a great opportunity!
